

HOW TO RAISE YOUR FIRST \$400

Raise \$400, the minimum amount for our smaller businesses to get their Boss to Bootcamp. Remember, “the majority of people you come across are generous, they just need to be asked.”

Personalise your fundraising page and follow these steps by sending an email, calling or visiting. Good luck!

1. START AT HOME

Start by making your own donation for \$50

2. FRIENDS & CLUBS

Ask five friends, club or associates to donate \$10 each = \$50

3. FAMILY & CO-WORKERS

Ask five co-workers/family members to sponsor you for \$20 each = \$100

4. FREQUENT VISITOR

Ask four businesses you frequent to donate \$25 each = \$100

5. ASK YOUR COMPANY

Ask your company to make a tax deductible donation of \$100

TOTAL \$400!

That's Bootcamp entry for smaller businesses!

If you have a higher entry target then use the same process just increase the ASK or if the company dollar matches, that would make it even easier.
